Competitive Prep Dance Team
(USASF Pom Division)

Come Build a Legacy with Us!

PHILOSOPHY

When you tryout at LA Legacy Elite, you are accepting a spot in the LA Legacy Elite program. We are a family of teams; therefore, we run our teams as ***one program-one family***. ***We take into consideration, both age and skill level when determining team placements.***

At LA Legacy Elite, our instructors teach: PERFECTION before PROGRESSION. This approach will allow us to be very successful on the national level, while maintaining and gaining skills.

We make our practices and competitions fun, rewarding, and productive. We create a positive learning environment at LA Legacy Elite. We push the athletes to be the best they can be. We set goals as a team and as individuals while teaching accountability. We expect our athletes to improve their technique and progress their skills through efficient practices with maximum participation.

This is a 11 month dance season. We will begin practices in July 2020 and end in May 2021. Teams will be closed before CHOREOGRAPHY (September). Competitions will run January-April 2021.

**** SUMMER 2020 IMPORTANT DATES TBD****

Parent Meeting July 1, 2020 & 6:00pm

Team Sign Ups & Practice Begin July 20, 2020

PRACTICES

In order to be competitive at dance competitions, there are many extensive training practices that will develop your athlete. These practices are designed to allow each athlete to grow in skill and character. While we strive to teach each athlete the very best in all-star dance, we hope to make the experience fun, exciting and full of lasting memories. *We realize that summers are vacation times for most, and we expect missed practices from all athletes. If you should have a vacation or planned trips that will cause you to miss a practice, please make sure you email Jamie@leapssports.com.* All absences from practices must be excused by the coach. Should you get sick or have any sudden circumstance to miss a practice, you must contact your coach or team rep immediately. If you do not call and miss a practice, it could be grounds for removal from the team. Remember, a team can only be successful if all members are there and work together.

You will receive 3 tanks/tees that are included in monthly fees, Varsity & Innovative spirit practice wear is OPTIONAL.

Until your new practice wear arrives- Please try to wear all black!

(ALL TEAMS) Absences will be kept track of year-round. Coaches need to be informed at least 24 hours in advance. This is a team sport and a routine cannot be worked if athletes are missing continuously. Excused absences are school events for grade, funerals, Dr. Notes, etc. If unexcused absences become excessive the athlete could be removed from the team. No refund will be issued for being dismissed or quitting. **No practice can be missed 2 weeks prior to any competition.** This will result in replacement for that competition and may result in dismissal.

Pom Team Practice (2.5 hours/week) Mondays 4:30-6:00 & Wednesday 5:00-6:00

No practice can be missed 2 weeks prior to any competition. This will result in replacement for that competition and may result in dismissal. Please let your coach know in advance if you will be absent.

COMPETITIONS

PREP Dance Teams attend 4 total competitions- US Finals or other BID competitions not included if bid is awarded.

Final Competition Schedules will be released in August 2020 and options will be discussed with parents beforehand. Competition Fees are an ESTIMATE. These fees can be altered once the schedule is made.

FEE SCHEDULE:

\$55 LEAPS & BOUNDS ANNUAL REGISTRATION DUE by 1st Parent Meeting!

**These fees are estimates as we are still finalizing choreography and other fees!
They are subject to change once final teams are created. ***

6% Discount Given if all fees are paid in full upfront

*Sibling discounts for tuition are available. Families are offered 20% discount on any classes or tuition after the highest cost. We cannot discount the fee portion of your payments.

Crossover Fees are only added to competitions and choreography

*US FINALS is typically our end of year event. If a bid is earned, the competition fee is not included in the fees collected during the season.

*Monthly practice tuition is combined with all team fees to make ONE monthly payment. The items included in team fee portion of payment are: Choreo/Music, Competition Fees, Coaches Fees, Bow, End of Year Banquet, and Practice Shirts.

FINANCIAL OBLIGATIONS

The chart below will you a list of payments based on fees and team tuition for the entire year. We must receive these payments before your child can receive any goods or services.
