- [2] Your credit card will be charged on the Thursday prior to the week of summer camp. If the credit card declines, there will be a \$10 decline fee. If your echeck is returned there will be a \$35 NSF fee.

If there is not a drop notice turned into the office, you will be billed for the weeks remaining. This drop notice allows us to call another client to set up camp for them.

Sign In and out procedure

Parents must come in each morning and sign their child into camp. Camp begins at 6:30 am. Please try to have your kids here by 8:30 am so that they can be here for the morning theme party and to know what activities are going on for the week. This also gives us time to review the rules with them and prepare them for the days events.

Carpool will now be in the small parking lot by the blue dumpster. Carpool will begin at 4:30. If you arrive **before** 4:30 to pick your child up please pull up to the fence and call **225-243-6610 and we will bring your child out to you.**

Anytime **after** 4:30 just place the car number you have been given in the driver side dash board of your vehicle. You may send a picture of the car number to anyone else who will pick up your child. We will read the number and radio your child's counselor to send them to the back gate. You may be asked to pull through and circle around so we can get the next child to start coming to the front as well. This will work out faster than one person waiting for their child to finish what they are doing, gather their items, and head to the front. Please do not give our carpool worker a hard time, they will do everything they can to help keep things moving quickly.

Apparel

Campers should come prepared for an active day. Your child must wear tennis shoes daily. We do a lot of running and flip flops, sandals, and slides are hazards. Pool shoes must be worn only to and from the pool. No dresses please, as we are often going upside down! Girls should have their hair in a ponytail and if a skirt is worn shorts must be worn underneath. Please make sure that they are dressed correctly. Hats are allowed, but we are not responsible for lost hats.

Backpacks

Each camper will be responsible for providing their own backpack that they must keep with them throughout each day. These backpacks will hold everything the camper needs, water bottle, swim suit, towel, sun screen, etc. Please do not place bulky or unnecessary items in their backpacks. No blankets. We have lots of fun activities planned, so **NO electronics** or **toys** from home will be allowed. We will not be responsible for them.

Swimming

Your child will swim 2x a week. Your child should bring swimwear everyday because we will also do water games as well. This includes swim suit, flip flops, towel, spray sunscreen, and ear plugs if necessary. These items need to fit in the backpack, so be sure to send only the necessities. Counselors will assist your child with applying spray sunscreen. **PLEASE PUT YOUR CHILD'S NAME ON EVERYTHING!**

We offer swimming lessons in addition to camp if your child needs to learn how to swim. Our pool is 4ft deep –5ft deep and is completely enclosed. Campers are supervised by CPR- WOW certified swimming staff.

If your child can not swim, please send a life vest. He/she will be required to wear a life vest.

Medicine and illness

All medications **MUST** be left with the front desk office worker and documented on our Medication Dosage Form. Medication will **NOT** be administered on an “**as needed**” basis. All medication must have a prescription label and have specific instructions on the bottle. This includes any type of medication, including over the counter remedies such as aspirin or Tylenol. Prescription medications **MUST** be in the original container with the physician's name and dosage instructions included. No child will be allowed to carry any type of medication with him or her.

If your child is running a fever, do not send them to camp. Anyone with a fever must go home to prevent other children from becoming sick. If your child has a staph infection, lice, or other communicable ailment, do not send them to camp.

If you have medicine that you want to leave with us for the summer like asthma inhalers, or Epi pens it must be left with an office worker at the front desk.

Lunch and snacks

Each child must bring their lunch and two snacks with drinks every day and bring a water bottle. Their lunches should be “ready to eat” and not require the use of a microwave or refrigerator. You may also put money in a concession account for your child and they can purchase a snack instead of bringing it from home. **Do Not send cash with your child. We are not responsible for lost money.** Campers can only buy snacks in the morning when they arrive and put them in their book sack. Please let your child know what’s their “snack” and what’s their “lunch”. Most little kids will try to eat ALL their food at first snack.

Items from home

ABSOLUTELY NO ELECTRONICS ARE ALLOWED AT CAMP. THIS INCLUDES PHONES AND TABLETS. We will not be responsible for lost, stolen, or broken items. This includes trading cards, playing cards, dolls, stuffed animals, pop its or toys. This goes for money as well. If any of these items are found we will take them and give them back when it’s time to go home.

For the younger campers, you can put an extra set of clothes in a ziplock bag with their name on it and leave it for the summer. This is optional.

Field Trips

Camp Tshirts must be worn on all **OFFSITE** field trips. You must be on time. You can not drop your child off at the field trip destination, nor can you leave them at the gym. You will get an email the Friday before letting you know what time to be here.
